Connection Pulse

This is your weekly relational pulse check — a way to tune into the emotional rhythm of your relationship and notice how things are going between you. It's not about judgement or getting it "right." It's about building awareness.

Each week, you'll reflect on how your relationship has felt across key areas like emotional safety, intimacy, communication, play, and shared vision. Your responses will generate a score out of **180**, placing you somewhere along the **Connection Pulse scale**.

This scale isn't a label — it's a temperature gauge. A way to check in, reflect honestly, and use what you learn to support meaningful conversations and strengthen your connection over time.

🔴 **Disconnected (18–52)** The relationship feels emotionally shut down or distant. Safety and presence are missing, and connection may feel blocked by conflict, overwhelm, or silence.

🟥 **Reactive (53–88)** Stress and disconnection show up in repeated cycles or emotional volatility. You're trying to connect, but reactivity often gets in the way. There's growing awareness that something needs to shift.

🟧 **Intentional (89–124)** You're starting to slow down and notice what's happening beneath the surface. There's more reflection, emotional awareness, and a shared effort to respond with care rather than react automatically.

🟩 **Collaboration (125–160)** You're working as a team. Relational tools are
